(d) if so, the action Government propose to take against the erring officials as also to ensure that the road is metalled at the earliest?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI BANDARU DATTATRAYA): (a) to (d) Municipal Corporation of Delhi (MCD) has reported that the road between Outer Ring Road and J-Block Market, Vikaspuri was dug up by a private agency, for laying underground cables. The firm had deposited the necessary road restoration charges with MCD. This cut had since been dressed up and levelling/dressing is done from time to time to keep the road motorable. For restoration of this cut, tenders had also been invited. However, in the meantime, it has been decided by MCD that in all cases of digging, the restoration work shall be done by the agency undertaking such digging. In cases where restoration charges have already been deposited, MCD shall refund back the amount to the concerned agency. As such, the matter is being taken up with the firm to refund the road restoration charges to them and for restoration of cut.
